Ordförande för ett Case Management symposium och presentation av en artikel om Case Management och Strengths Model case management. Ordförande för en session om Vocational Rehabilitation.

14<sup>th</sup> Congress of European Forum for Research in Rehabilitation (EFRR), Glasgow, UK, 24 – 27 May 2017. Plenary Speech. Vocational Rehabilitation and Return to Work.

## **Böcker**

Medförfattare till boken "Rehabiliteringsvetenskap – Rehabilitering till arbetslivet i ett flerdisciplinärt perspektiv, Lund Studentlitteratur. Upplaga 3, 2015.

Medförfattare till boken "Handbook of Vocational Rehabilitation and Disability Evaluation – Application and implementation of ICF". Utkom 2015, Springer förlag New York. Boken är avsedd som internationell lärobok i Vocational Rehabilitation (Arbetslivsinriktad rehabilitering) för läkare och för personer som jobbar i vården och i den sociala sektorn samt för studenter inom nämnda sektorer.

## **Övrigt**

Member of the Council of the European Forum for Research in Rehabilitation, EFRR sedan 2007.

Member of the Editorial Board for International Journal of Rehabilitation Research (IJRR) sedan 2007.

Ingick som en av 11 experter i världen som har definierat Vocational Rehabilitation för ICF Research Branch and WHO. Har tillsammans med denna grupp av experter också arbetat fram ICF core sets för Vocational Rehabilitation at ICF Research Branch and The Swiss Paraplegic Research in Nottwil, Switzerland (2010).

Driver sedan 2010 eget företag, Caseman Rehabilitering AB, som utbildar i Case Management och arbetslivsinriktad rehabilitering.

Marnetoft har varit med och arbetat fram de **Nationella Riktlinjerna 2015** för vård och stöd vid missbruk och beroende för **Socialstyrelsens (SOS)** räkning. Han ansvarade under projektarbetets gång för avsnittet som avser Case Management. Slutsatsen efter den systematiska genomgången av aktuell forskning landade i att "Hälso- och sjukvården och socialtjänsten bör erbjuda individuell case management i form av Strengths Model till personer med missbruk eller beroende av alkohol och narkotika och som är i behov av samordning". Se SOS rapport "Vård och stöd vid missbruk och beroende". Nationella riktlinjer 2015.

Marnetoft var Chair of the Scientific committee at the 13th Congress of European Forum for research in Rehabilitation (EFRR), Helsinki, Finland, 6-9 of May 2015.

Marnetoft ingick i "The Scientific Committee" för European Forum for Research in Rehabilitation, EFRR:s Congress, 24 – 27 of May 2017 in Glasgow, UK.
